Get Your Finances On The FasTrack

The HCFCU FasTrack Club gives youth members several ways to learn about savings, loans and investments:

Regular Savings

This account establishes youth membership and can be opened with as little as \$5. Once this account is open, teens can add to it and enjoy other special club privileges. Members ages 16 and older can even use Direct Deposit to add to their savings.

Certificates of Deposit

If youth members want to save for something bigger down the line, like college or even a first car, a Certificate of Deposit (CD) is a great way to do it. Our CDs are available in a variety of terms and amounts, ranging from six to 60 months with minimum deposits of \$100.

Checks & Debit Cards

Members ages 16 and older are able to manage their FasTrack accounts with paper checks as well as Visa® Debit Cards co-signed by a parent. Plus, members receive free check-cashing privileges at any branch. This is a great way for youth members to learn about financial responsibility.
