

Go Wild With Your Savings

The HCFCU Wild Bunch Club gives youth members several ways to save. Your kids can invest in any of the following accounts:

Regular Savings

This account establishes your child's membership and can be opened with as little as \$5. Once this account is open, you and your child can add to it, and enjoy other special club privileges.

Santa Club Shares

Help your kids save for the holidays with our Santa Club Shares. Simply make deposits to this account throughout the year, and when the holidays roll around, they'll have plenty of money to spend!

Certificates of Deposit

If your child wants to save for something bigger down the line, like awesome video game systems, school or even a first car, check out a Certificate of Deposit (CD). Our CDs are available in a variety of terms and amounts, ranging from six to 60 months with minimum deposits of \$100.
